Control From Wherever You Are

ADAPTABLE & MOBILE

A simple, elegant interface is all you need, and want, when controlling your home. So whether it is the Universal Dimmer on the wall, the tablet on the coffee table, or the smart phone in your hand, you'll find it easy and always convenient to stay comfortable, at home or away.

Custom Engraving

DETAILS MAKE IT HOME

Give it that personal touch with custom, backlit and laser-etched engraving. Choose your color and let the beautiful industrial design stand out by blending in.

Font Options

CUSTOMIZABLE DESIGN

Add visual clarity to user-intuitive controls. With options for standard and large font sizes available in three different styles, you can add accessibility while staying on-trend.

Ideas for the Perfect Lifestyle

DESIGN BORN FROM EXPERIENCE

With over 35 years in the industry, Vantage Controls truly sets the bar for whole-home automated lighting control. At Legrand, our range of designs are born from blending a deep understanding of the real-life experiences of system users, advancements in technology, materials, finishes, and the creativity gained from decades of experience. Our solutions simplify your life, while reflecting your unique style through complete personalization of your keypad selections.
